Register

In order to view pricing, inventory and account specific information, you must first register and then log in to the website.

- Click on “Register” and answer “Yes” when asked if you currently have a credit account. If you don’t have an account number, contact your local branch.
- Be sure to use your World Electric shop account number, which can be found on your invoices.
- Please note that it takes approximately 24 hours to approve your account for online access. Your account history will be available on the next business day after approval.

Search

We have organized our 28,000+ products into recognizable categories so finding what you are looking for is fast and easy!

- Search products by the “Top Categories” menu or by using the “Shop All Products” tab. In the search bar you can enter a UPC code, manufacturer’s part number, your unique part number* or a keyword.
- You can use the “Narrow Your Search” feature on the left side of the screen to refine your search even more. Filter your results by specific manufacturer, category, size, type, etc.

***If you have unique part numbers, we can add them into our system to make searching even easier.**

Features

PRICE

Once you log on, you can be confident that the pricing you see is your exclusive World Electric pricing. Our online pricing is directly connected to our internal pricing systems so you can be assured of its accuracy.

INVENTORY

The inventory you see is what we have available in Florida at each of our locations. You can also check stock on multiple items by adding them to your shopping cart. (You can always delete items from the cart if needed.) Save time and know before you go!

SPEC SHEETS

We have thousands of manufacturer's spec sheets and MSDS Bulletins available and they are located directly on our site. To download a PDF of the document (if available), click "Detailed Specifications or MSDS." You can save, print or email these right from our website.

FREQUENTLY PURCHASED ITEMS

We make it as easy as possible for you to work more efficiently! Once you are registered, you can view your top 50 frequently purchased items. This list is compiled of all the products you have purchased from World Electric and is not limited to your online purchases. You can view and reorder directly from this list, which is located under the "My Account" drop down menu.

ACCOUNT SAVED LISTS

With Account Saved Lists, there is no need to search again and again for products you know you will use on a frequent basis. To add any item to a list, click on “Add to List” then use the “Select” drop down menu and click on the option you want for that item. You can either add the item to an existing list, or create a new one.

- Once you have your lists created, you can order the entire list or click only the items you need and add them to your cart.
- The lists are easy to manage and can be edited or updated according to your needs.
 “Account Lists” can be accessed by anyone at your company and “Private Lists” can only be viewed by the creator.

The screenshot shows a product page for a RACO 232 4SQ 2-1/8D BOX COMB KO. The price is \$123.35/c. The 'Add to List' button is circled in red. A modal window is open, showing a dropdown menu with options: 'Select a list...', 'Private Lists', '<Create a New Private List>', '{No Private List}', 'Account Lists', '<Create a New Account List>', and '{No Account List}'.

The screenshot shows the 'My Saved Shopping Lists' page. A table lists the following items:

ACCESS LISTS

Existing lists can be found by clicking on Lists from the main menu

ACCESS INVOICES

You can check the status of your open order or view invoiced orders going back 180 days. Search by order number, PO number, product, or date range. You can also view Proof of Delivery signatures by clicking on the picture of “POD” under the “Additional Details” Column. Invoices are located under the “My Account” drop down menu.

The screenshot shows the 'My Account' dropdown menu with the following options: Address Book, My Frequently Purchased Items, Invoiced Orders (circled in red), Open Orders, Quick Order Pad, Quotes, and Profile Information.

Ordering

Easily purchase products in three simple steps:

- 1 Click the box next to the product and select “Add To Cart”. The item and the quantity you entered will be added to your shopping cart.
- 2 At the checkout, choose “Ship” or “Will Call”. If you select “Will Call”, choose the branch where you want to pick up your material, and you’ll see the inventory available at that branch. Choose “Ship To” and have it delivered right to your job site!
- 3 Click “Checkout” to complete your order—it’s that easy!

CONFIRMATION

After you place your order, you will receive an order confirmation via email.

SHIPPING

Choose to have your order “Ship Complete”, “Ship all items on a requested date”, or “Ship as they become available”. Do you have a special request? Just type it in the instruction box (e.g. “Deliver to Joe in Building 9”). You can ship to your shop or direct to open job accounts. Whichever you choose, the material will always be billed to the correct job account.

Quotes

LOOKING FOR YOUR QUOTES?

Here They Are!

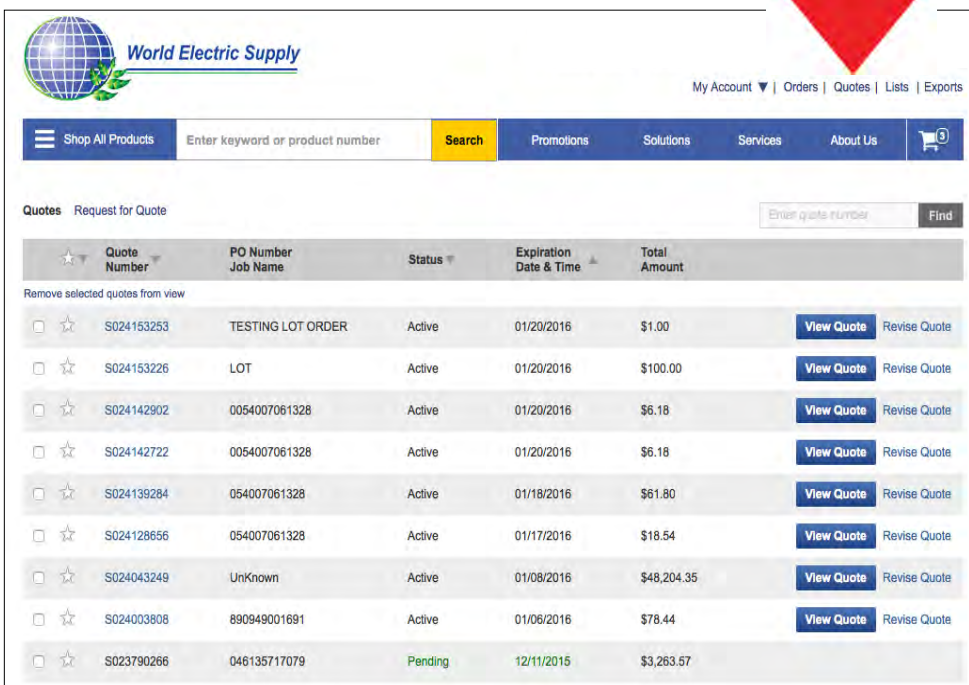

MAKE SURE YOU ARE REGISTERED AND THEN YOU WILL BE ABLE TO...

view ALL of your job/project quotes once you are logged on to the website.

When you “View” the quote, you will see detailed pricing and availability for each item.

You can then release (place) the order, or you can revise the quote to request changes or additions.

The quote section allows you to keep all of your job/project pricing in one neat, organized place.

Invoices

OPEN ORDERS

- Select “Open Orders” under the “My Account” drop down menu to view all open orders (orders that haven’t been picked up, shipped or invoiced yet). Once invoiced they will be found under “Invoiced Orders”.
- If the “Expected Ship Date” date is in the past, that is the day the order shipped or was picked up. If the date is in the future, that is the approximate date the order will ship.

The screenshot shows the 'Open Orders' page on the World Electric Supply website. The page includes a navigation menu with 'Shop All Products', 'Search', 'Promotions', 'Solutions', 'Services', and 'About Us'. A 'My Account' sidebar is on the left. The main content area shows a list of open orders with the following data:

| Order Number | Account Number | PO# | Order Date | Expected Ship Date | Status | Total Price |

Testimonials

“ Love your site. It was very easy to place an order. I searched for an obscure Carlon box and it came right up. Your search works great.”

“I needed some PowerStrut items for next day delivery. I used the online with the PS catalog and could see what was available for me for immediate delivery. I'm getting what I need tomorrow when I need it...”

“What I like most is that I can check stock and/or pricing at any time, even after business hours. I also have different shipping options available, as well as being able to specify a date. The search feature is pretty extensive. I like the fact that I can see open orders and the shopping cart feature is helpful also. Finally, the fact that I am given my order number allows me to investigate should any problem arise...”
